ACKNOWLEDGEMENT OF RISK

I, the undersigned, recognize that there is an element of risk in boating or canoeing at any river level. I certify that I and my family or group are aware of the dangers from rapids, rocks and trees (floating, submerged or overhanging the river). Therefore, I assume full responsibility for myself, my family and minor children under my care, for bodily injury, death and loss of personal property and expenses thereof, as a result of my negligence or the negligence of my family participating in this activity, except to the extent such damage or injury may be due to the negligence of the concessioner.

I, the undersigned, also certify that I have been informed, and will assume informing all members of my group of current river conditions, and of the potential danger relative to floating the river at this level, and of the safety precautions to be taken to avoid mishap or injury.

I, the undersigned, understand that the concessioner agrees to limit the customer's liability when settling for any and all claims for property damage or loss to the fair market value of the equipment at the time of loss, or to a reasonable cost of repair to damaged equipment.

I, the undersigned, further understand that the concessioner reserves the right to refuse any person it judges to be incapable of meeting the rigors of this activity, or to be a danger to themselves or others.

I, the undersigned, agree to pay for lost or damaged canoes, kayaks or rafts.

I grant permission for BOC (Buffalo Outdoor Center) to drive the vehicles I have requested to be shuttled and I understand that my insurance covers any loss or damage that might occur.
