## Boxley Valley Elk Viewing

Map is not to scale. These are recommended viewing locations based off recent elk sightings. Elk are wild animals and their locations cannot be guaranteed.

- 1** A popular early morning location for elk. Good parking options along the Ponca Access rd.
- 2** Evening hotspot. Parking on shoulders of road. Can be very congested with traffic.
- 3** Morning viewing from the elk observation pullout and evening in the field north of pullout. Limited parking.
- 4** Mornings and evenings in the fields at the intersection of Highways 21 and 43. Parking on road shoulders is limited.
- 5** Mornings in the fields near Cave Mountain Road. Little to no shoulders for parking. Please respect private property.
